➤ **RHS Lacrosse Coaches**

✓ **High School Lacrosse**

• **Coaches (Kuhblank, Johnson)**

1. Game Balls – Need approximately 80 balls. New rule states that the balls need to be seamless and have FHSAA logo. John indicated that we will get a 20% discount off orders through the Lax World. FBL indicated that they would order enough balls for the teams, but concern is if we wait for FBL we may not receive them on time. We don't need to buy practice balls. Coach Kuhblank pulled up prices on LaxWorld; found a variety of prices; Coach Johnson indicated that he wants to get yellow balls.

Coach Kuhblank suggested that team managers line up balls at end lines during games in order to keep track of them.

2. Request for fee assistance for Coach Mas – Coach Kuhblank asked if booster club could assist in fingerprinting and coaching card for Coach Mas. Cost should be approximately \$125.

Motion made to cover costs: approved.

- **Equipment**

1. Uniforms: Kuhblank needs 3 pinnies: (2)XL, (1) XXL; will give John numbers for shirts (2, 19, 43 ?); Johnson needs game uniforms (1 full set; 2 singles). He will take an inventory of practice uniforms needed and forward information to John (size, color, #)
2. Nets: Kuhblank requested 2 nets for games (better quality than last year); He also put on his wish list – Khumash – approximately \$69.

- **RHS Lacrosse Committee**

- ✓ **Committee Members**

- **Program Director: John Bandy**

1. Opening Day – currently scheduled for February 15; this date is now in conflict with FBL expo rescheduled for same day; FBL event is now a tournament being held at MCC – date was changed from January 18 because no college scouts can observe during that week. Discussion was held as to whether or not we change our opening day event to be able to participate in FBL. Pros for attending FBL event: we can get \$ earned from the event and will give boys playing time.

Vote was taken to keep our original date: 7 in favor of keeping opening day on February 15; 1 not in favor; 2 attendees did not vote.

Food: Discussed options – JDs, Shaw's Barbecue, Longdoggers, Kay's Barbecue, Café Unique, and Tom Strain. Spracklin contacted both Longdoggers and Café Unique – did not hear back from Longdoggers; Café Unique can put together sandwiches & chips, chicken fingers, etc. based on our budget. Kuhblank will contact Tom Strain re: barbecue; Coach Johnson will contact Parr (?) who has food connections. He

attended a board meeting in October/November and indicated that he had connection in the food industry.

Event promotion: It was suggested that we put opening day information on sign outside of fire station on US1.

Music/Entertainment: 102.7 or Buffaloe (follow-up: Amy Moon is waiting for final approval from 102.7). Sammye Johnson contacted *On the Edge* rock climbing to get information about a portable wall; will provide information at next meeting).

Game schedule: Girls play at 11:00 a.m.; Boys 12:30 p.m. (2- 15 minute halves)

Pictures: Committee decided to change date of pictures to a Saturday after the season begins – possibly February 22 – will check with Amy.

2. Casino Bus Trip – bus is reserved for *January 25*; payment is due on day of trip; John will forward contract to Marcia. Bus will stop in Orlando for an extra \$50; Ticket prices: 1 for \$50; 2 for \$90. Goal is to sell 50 tickets. Drinks – will be complimentary (adult beverages, water, soda); we will solicit donations for drinks. Committee also agreed to solicit donations for raffle baskets (suggested a lottery ticket basket) as well as snacks.

All money and tickets must be turned in **no later than January 18!** Checks must be made out to FBL (Friends of Brevard Lacrosse)

- **Chairperson-Fundraising** (Amy Moon) – Absent (notes provided via email)
 1. Golf Tournament – scheduled for May 3, 2014; will need at least 18 hole sponsors. Amy suggests basic white signs with lettering and no pictures, logos or designs. Concern was addressed that many franchisees must have the company logo on the sign; signs should also be double-sided.

Follow-up: How much will signs cost with logos and double-sided?

- **Chairperson-Equipment/Grants:** Shelly Sutherland

1. Shirt Design: Shelly showed us new logo designs with Dead Bug Dave holding lacrosse stick. Committee voted on design #5 without the blue/black circle.

Shelly solicited prices from Orville and T-shirt King; prices are comparable; however, Orville already has lax logo from last year. RHS logo will be on the front with DBD on back; Coach Kuhblank suggested that we change the eyes to red – will the cost change if we add one more color? Committee unanimously agreed to change eye color to red. Coach Johnson agreed to play around with eye colors.

First shirt order: 36 white t-shirts of various sizes. Order must be placed by first week in January in order to get them by opening day; Check to cover shirts will need to be requested from FBL.

- **Chairperson-IS/Web:** Jim Snyder

1. Sponsors – When should existing sponsors get turned off on website? Committee agreed to wait until opening day; exception – Dead Bug Dave – is sponsor for t-shirts

Meeting was adjourned at 8:48 p.m.
