**Addendum to the Minutes**

• **2/5/15 email proposal/vote regarding wrestling season overlapping lacrosse season**

Proposal :

The idea is that once wrestling is over for these specific players, they will then be committed & dedicated to playing lacrosse. These 6 players will not be allowed to pick and choose which games they play. They will pay their fees (up front) based on how many games are left in the season (at \$25 per game). If that player gets pulled up to Varsity, they would pay the full \$250 fee (as they would have more games). If there were only 5 games left and they were only a jv player, then they would pay \$125. They would pay upfront for a shortened season. If they miss a game during that section of the season, they would not get reimbursed for that game.

Proposal passed with majority vote.
